General Information

Terms:

Contractors, plumbers, building supply houses and installers are intitled to discounts on most items.

Interest will be charged at the rate of 1% per month on all accounts past due or an annual rate of 12%. Minimum charge of \$0.50. If at any time, the financial responsibility of the Purchaser becomes unsatisfactory to us, cash payments or satisfactory security may be demanded by us and upon default of such payments or failure to furnish satisfactory security, further delivery may be discontinued.

Deliveries:

A fuel surcharge of \$30 for up to 60 mile radius and \$60 to 100 mile radius of our plant location will be added to deliveries anytime fuel prices exceed \$5.00/gallon.

For delivery charges beyond 100 mile radius or in another state, please call our office. Special trips will not be made for payloads under \$300.00. These deliveries will be made when our truck is in the area. **RESETTING:** If a reset is necessary, through no fault of ours, a charge of \$175.00 per hour is required. Resetting will be done when our truck is in the area.

Access to Site:

It is the purchaser's sole responsibility to see that the site and/or unloading area is ready and accessible to our trucks and our drivers as scheduled. We can assume no responsibility for any site or labor conditions which may cause excess waiting time, excessive unloading time or trucks returning to our plant with their loads intact. Waiting time will be charged in the above cases at the rate of \$175.00/hour, trucks with trailers at \$250.00/hour, after the first hour of waiting to unload.

Delays:

In the event of any delay in our performance, due in whole or in part to causes beyond our control, we shall be allowed such additional time for our performance as may be reasonably necessary. Acceptance by you, or your agent, of delivery of any material shall constitute a waiver by you of any claim for damages on account of any delay in delivery of such goods.

Limited Warranty:

We warrant our products to have been manufactured in a workmanlike manner and in accordance with our standard specifications, unless otherwise indicated in our quotation and/or acknowledgement. Since we have no control over the products after delivery, we assume no responsibility after delivery has been made. If a delivered item is found to be defective within a period of one year from date of delivery, and said defect is our responsibility through faulty manufacture, we will, within the one year period, replace the item at the job site of the replaced item. We assume no liability of incidental or consequential damages. No person is authorized to bind us for any further warranty obligation beyond that stated herein. Under no circumstances or conditions, either expressed or implied will AMERICAN CONCRETE INDUSTRIES be liable for damages in excess of the purchase price of the product.

Returns:

All returns subject to 15% restocking fee. All returns must be accompanied by original receipt. No returns after 30 days from date of purchase.

NSF:

All checks returned due to non sufficient funds will be charged a \$25.00 fee.
